PORT Family - Word-Part Cards

Migration Route 2 | Color clay tiles

Cut apart the cards. Use them with the build mats on page 2.

Core cards build transparent PORT-family words. Later cards support noticing and extension.

PREFIX

in- -> im-

in; into

ex-

out; from

de-

off; from; down

re-

again; back

trans-

across

sub- -> sup-

under; below

PORT Family - Build Mats

Migration Route 2 | Landscape | Place the cut-apart cards directly on the mat

Not every build needs every slot. Use Mat A for core builds, Mat B for layered prefix builds, and Mat C for extension builds.

MAT A - one prefix or combining form

PREFIX / COMBINING FORM

PORT Family - Build Clues

Migration Route 2 | Use the same cards and build mat for both kinds of clues

Try the word-level clues first. Then use the sentence clues as a second way to build or check the same target words.

A. WORD-LEVEL BUILD CLUES

Build a real PORT-family word that matches each clue.

1
Build a word that means to carry something into a place.

2
Build a word that means to carry something out from a place.

3
Build a word that means to carry something across or from one place to another.

4
Build a word that means to carry something far away instantly.

5
Build an adjective that means able to be carried.

6
Build a word for a person who carries luggage or supplies.

7
Build a word that means to tell or carry information back.

8
Build a word that means to hold up from below.

B. SENTENCE / CONTEXT CLUES

Build the PORT-family word that best completes each sentence.

A
Many tropical fruits are _____ into the country from warmer places.

B
The company will _____ apples to another state this fall.

C
The movers will _____ the piano across town on Saturday.

D
In the science-fiction movie, the robot can _____ to the space station.

E
The folding stool is light and _____.

F
The hotel _____ carried our bags upstairs.

G
After the experiment, each team will _____ its results to the class.

H
Strong beams _____ the balcony from below.

C. EXTENSION

Add more meaning with extension suffixes. Build and define the new word.

EXTENSION SUFFIX: -ANT

Build a word with -ant.

_____

What does it mean?

_____

EXTENSION SUFFIX: -ANCE

Build a word with -ance.

_____

What does it mean?

_____

PORT Family - Record Your Builds

Migration Route 2 | Use after building with the cards and mat

Record each word you build. Literal meaning = what the word parts suggest; definition = what the whole word means.

WORD	WORD SUM	LITERAL MEANING	DEFINITION
