TRACT Family - Word-Part Cards

Migration Route 2 | Color clay tiles

Cut apart the cards. Use them with the build mats on page 2.

Core cards build more transparent TRACT-family words. Optional extension work includes more challenging family members.

PREFIX

in-

not

ad- -> at-

to; toward changes to at- before t

dis-

apart; away; not

ex-

out; from

re-

again; back

sub-

under; below

TRACT Family - Build Mats

Migration Route 2 | Landscape | Place the cut-apart cards directly on the mat

Not every build needs every slot. Use Mat A for core builds, Mat B for layered prefix builds, and Mat C for extension builds. Optional extension words can also use core cards.

MAT A - one prefix

PREFIX	ROOT	SUFFIX
place card here	*place card here*	*place card here*

MAT B - two prefixes

PREFIX	PREFIX	ROOT	SUFFIX
place card here	*place card here*	*place card here*	*place card here*

MAT C - extension builds

PREFIX	ROOT	EXTENSION SUFFIX
place card here	*place card here*	*place card here*

TRACT Family - Build Clues

Migration Route 2 | Use the same cards and build mat for both kinds of clues

Start with the more transparent clues. Then use the optional extension prompts for higher-vocabulary TRACT-family words.

A. WORD-LEVEL BUILD CLUES

Build a real TRACT-family word that matches each clue.

1
Build a word that means to pull or draw something toward.

2
Build a word that means to pull attention away.

3
Build a word that means to pull something out.

4
Build a word that means to pull something back.

5
Build a word for a machine that pulls farm equipment.

6
Build a noun that means the act of pulling attention away.

7
Build a noun that means the act of pulling something out.

8
Build an adjective that means able to be pulled back.

B. SENTENCE / CONTEXT CLUES

Build the TRACT-family word that best completes each sentence.

A
Bright colors can _____ attention from across the room.

B
A loud conversation can _____ a student from reading.

C
The dentist may need to _____ a badly damaged tooth.

D
Press the button to _____ the awning back into its case.

E
The farm _____ pulled a heavy trailer across the field.

F
The funny side conversation caused a major _____ during the lesson.

G
The lab report described the _____ of oil from the seeds.

H
The antenna is _____, so it can slide back into the radio.

C. EXTENSION

Add more meaning with extension suffixes. Build and define the new word.

EXTENSION SUFFIX: -IVE

Build a word with -ive.

_____

What does it mean?

_____

EXTENSION SUFFIX: -ION

Build a word with -ion.

_____

What does it mean?

_____

TRACT Family - Record Your Builds

Migration Route 2 | Use after building with the cards and mat

Record each word you build. Literal meaning = what the word parts suggest; definition = what the whole word means.

WORD	WORD SUM	LITERAL MEANING	DEFINITION
