VIEW Family - Word-Part Cards

Migration Route 1 | Color clay tiles

Cut apart the cards. Use them with the build mats on page 2.

Keep VIEW as the base word. Add a prefix, a suffix, or both to build and compare related words.

PREFIX

pre-

before

re-

again; back

BASE WORD

view

see; look at

SUFFIX

-s

more than one; or present-tense verb

-ed

already happened; past

-ing

action happening now

-er

a person or thing that does something

-able

can be; able to be

VIEW Family - Build Mats

Migration Route 1 | Landscape | Place the cut-apart cards directly on the mat

Start with VIEW in the blue base-word slot. Mat A adds a prefix. Mat B adds a suffix. Mat C adds both a prefix and a suffix.

MAT A - add a prefix

PREFIX

place card here

BASE WORD

place card here

MAT B - add a suffix

BASE WORD

place card here

SUFFIX

place card here

MAT C - add a prefix and suffix

PREFIX

place card here

BASE WORD

place card here

SUFFIX

place card here

VIEW Family - Build Clues

Migration Route 1 | Use the same cards and build mat for both kinds of clues

Build each word from VIEW. Notice what changes when a prefix, suffix, or both are added.

A. WORD-LEVEL BUILD CLUES

Build a real VIEW-family word that matches each clue.

1
Build a word that means to view something before.

2
Build a word that means to view or look at something again.

3
Build a word that means more than one view.

4
Build a word that means looked at in the past.

5
Build a word that means looking at something now.

6
Build a word for a person who views something.

7
Build a word that means able to be viewed.

8
Build a word that means looking at something again now.

B. SENTENCE / CONTEXT CLUES

Build the VIEW-family word that best completes each sentence.

A
We watched a _____ of the movie before it came out.

B
I will _____ my answers before I turn in my work.

C
The lookout has several beautiful _____ of the mountains.

D
Yesterday we _____ the exhibit at the museum.

E
We are _____ the video together right now.

F
Each _____ watched the short clip carefully.

G
The document is _____ on the class website.

H
She is _____ her notes before the quiz.

VIEW Family - Record Your Builds

Migration Route 1 | Use after building with the cards and mat

Record each word you build. Word sum = show the parts you joined. Literal meaning = what the parts suggest; definition = what the whole word means.

WORD	WORD SUM	LITERAL MEANING	DEFINITION
